Day 1 (6 May)

Teachers arrived in Portugal

Day 2 (7 May)

We arrived at Agrupamento de Escolas Padre Benjamin Salgado (AEPBS) and the school Principal welcomed us.

There was a presentation of the school cluster and the surrounding community.

We did the Workshop Trello.

Day 3 (9 May)

We attended a Workshop Pecha Kucha, a digital tool for short presentation and we did a lesson of our countries.

In the afternoon we visited Guimaraes.

Day 4 (10 May)

We had an inclusive approach at the AEPBS and we met special students.

After that we visited a local skateholder: CAISA

And then we visited Icaro TV, a basic school of Gondifelos

Day 5 (11th May)

We went to visit Porto, the second city in Portugal

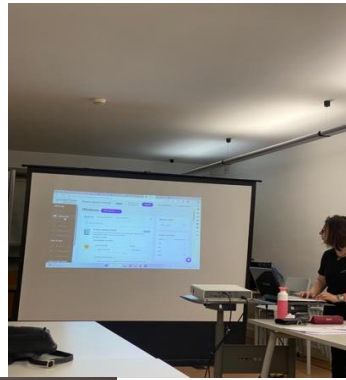

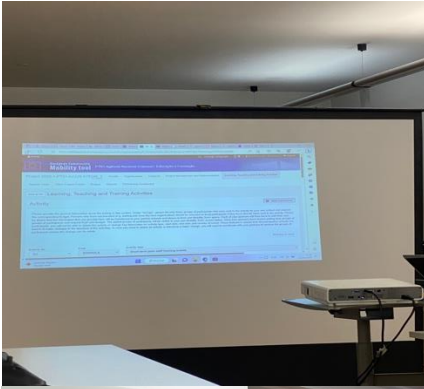

We visited Porto Wine Cellars and we had a lot of free time to visit the city.

Day 7 (12th May)

We had a meeting at Biblioteca Lúcio Craveiro de Silva and there was a Partners' discussion about the mobility, assessment and we overviewed the project.

In the evening we had the farewell dinner and delivery of certificates.

It was a wonderful experience for us, we learnt a lot not only at school but also among ourselves. Different cultures met and cooperate each other.
